### ***1<sup>st</sup> Annual Middlebrook Horse Drawn Heritage Day***

---

The 1<sup>st</sup> Annual Middlebrook Horse Drawn Heritage Day was held on Saturday, August 30<sup>th</sup>, 2025, in Middlebrook, Virginia. This event was sponsored by the NSFVA as well as other historical and private businesses. Our first event was definitely a success.

We had nine horses representing the breeds of Belgian Draft, Morgan, Canadian, and Quarter Horse, as well as 13 horse-drawn vehicles and farm implements that included farm wagons, spring wagons, a road grader, various farm implements, and a couple of buggies. Over 400 people attended. We had a horse-drawn vehicle and farm implement display, saddle and harness demonstration, historical talks, a free chuckwagon cobbler with ice cream, and some of the teamsters/riders went for a ride around the town and surrounding area! We look forward to doing it again next year and adding events such as a chuckwagon dinner, farm team exhibition, and more!
